

Community College Enrollment and Federal Loan Program Participation Status

This list reflects institutional loan program participation for the 2015-16 academic year. Please contact us if the participation status listed for an institution has changed. For methodology, refer to the corresponding report, *States of Denial: Where Community College Students Lack Access to Federal Student Loans*, available at www.ticas.org.

Institution	State	Participation Status	Enrollment	Share of Enrollment by Ethnicity

* This college did not report enrollment for 2013-14. Enrollment at colleges with no 2013-14 enrollment listed may have been captured under other institutions with which they were either affiliated or consolidated, including those not considered community colleges for the purposes of this analysis and therefore not included in this table.

Please note that the list below of colleges that merged is not exhaustive, but rather those we learned about throughout the course of our research.

¹Acadiana Technical College-Lafayette Campus merged with South Louisiana Community College in 2012.

²Capital Area Technical College merged with Baton Rouge Community College in 2013.
